Introduction

On December 23, 2004, President George W. Bush signed the Federal Employees Dental and Vision Benefits Enhancement Act of 2004 (Public Law 108-496). The law directed the Office of Personnel Management (OPM) to establish supplemental dental and vision benefit programs to be made available to Federal employees, annuitants, and their eligible family members. In response to the legislation, OPM established the Federal Employees Dental and Vision Insurance Program (FEDVIP). OPM has contracted with dental and vision insurers to offer an array of choices to Federal employees and annuitants. Section 715 of the National Defense Authorization Act for Fiscal Year 2017 (FY 2017 NDAA), Public Law 114-38, expanded FEDVIP eligibility to certain TRICARE-eligible individuals.

This brochure describes the benefits of the United Concordia FEDVIP under United Concordia's contract OPM02-FEDVIP-02AP-14 with OPM, as authorized by the FEDVIP law. The address for our administrative office is:

You and your family members do not have a right to benefits that were available before January 1, 2022, unless those benefits are also shown in this brochure.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self Plus One, you and your designated family member are entitled to these benefits. If you are enrolled in Self and Family coverage, each of your eligible family members is also entitled to these benefits, if they are also listed on the coverage.

OPM negotiates rates with each carrier annually. Rates are shown at the end of this brochure.

You cannot change plans, outside of Open Season, because of changes to the provider network.

Provider networks may be more extensive in some areas than others. We cannot guarantee the availability of every specialty in all areas. If you require the services of a specialist and one is not available in your area, please contact us for assistance.

*Position must be in a Federal agency that provides dental and/or vision coverage with 50 percent or more employer-paid premium.

The timeframe for requesting a QLE change is from 31 days before to 60 days after the event. There are two exceptions:

- There is no time limit for a change based on moving from a regional plan’s service area and
- You cannot request a new enrollment based on a QLE before the QLE occurs, except for enrollment because of the loss of dental or vision insurance. You must make the change no later than 60 days after the event.

Generally, enrollments and enrollment changes made based on a QLE are effective on the first day of the pay period following the pay period during which BENEFEDS receives and confirms the enrollment or change. BENEFEDS will send you confirmation of your new coverage effective date.

Once you enroll in a plan, your 60-day window for that type of plan ends, even if 60 calendar days have not yet elapsed. That means once you have enrolled in either plan, you cannot change or cancel that particular enrollment until the next Open Season, unless you experience a QLE that allows such a change or cancellation.

Canceling an enrollment

You may cancel your enrollment only during the annual Open Season. An eligible family member’s coverage also ends upon the effective date of the cancellation.

Your cancellation is effective at the end of the day before the date OPM sets as the Open Season effective date.

When Coverage Stops

Coverage ends for active and retired Federal, U.S. Postal employees, and TRICARE-eligible individuals when you:

- no longer meet the definition of an eligible employee, annuitant, or TRICARE-eligible individual;
- as a Retired Reservist you begin active duty;
- as sponsor or primary enrollee leaves active duty
- begin a period of non-pay status or pay that is insufficient to have your FEDVIP premiums withheld and you do not make direct premium payments to BENEFEDS;
- are making direct premium payments to BENEFEDS and you stop making the payments;
- cancel the enrollment during Open Season;
- a Retired Reservist begins active duty; or
- the sponsor or primary enrollee leaves active duty.

Coverage for a family member ends when:

- you as the enrollee lose coverage; or
- the family member no longer meets the definition of an eligible family member.

Continuation of Coverage

Under FEDVIP, there is no 31-day extension of coverage. The following are also NOT available under the FEDVIP plans

- Temporary Continuation of Coverage (TCC);
- spouse equity coverage; or
- right to convert to an individual policy (conversion policy).

FSAFEDS/High Deductible Health Plans and FEDVIP

If you are planning to enroll in an FSAFEDS Health Care Flexible Spending Account (HCFSA) or Limited Expense Health Care Flexible Spending Account (LEX HCFSA), you should consider how coverage under a FEDVIP plan affects your annual expenses, and thus the amount that you should allot to an FSAFEDS account. Please note that insurance premiums are not eligible expenses for either type of FSA.

If you have an HCFSA or LEX HCFSA FSAFEDS account and you haven't exhausted your funds by December 31st of the plan year, FSAFEDS can automatically carry over up to \$550 of unspent funds into another health care or limited expense account for the subsequent year. To be eligible for carryover, you must be employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31. You must also actively reenroll in a health care or limited expense account during the NEXT Open Season to be carryover eligible. Your reenrollment must be for at least the minimum of \$100. If you do not reenroll, or if you are not employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st, your funds will not be carried over.

Because of the tax benefits an FSA provides, the IRS requires that you forfeit any money for which you did not incur an eligible expense and file a claim in the time period permitted. This is known as the "Use-it-or-Lose-it" rule. Carefully consider the amount you will elect.

For a health care or limited expense account, each participant must contribute a minimum of \$100 to a maximum of \$2,750.

Current FSAFEDS participants must re-enroll to participate next year. See www.fsafeds.com or call 1-877-FSAFEDS (372-3337) or TTY: 1-866-353-8058. **Note: FSAFEDS is not open to retired employees, or to TRICARE eligible individuals.**

If you enroll or are enrolled in a high deductible health plan with a health savings account (HSA) or health reimbursement arrangement (HRA), you may use your HSA or HRA to pay for qualified dental/vision costs not covered by your FEHB and FEDVIP plans.

You will be required to submit your out-of-network claim on behalf of the United Concordia Dental Plan to the FSAFEDS Health Care Flexible Spending Account (HCFSA) or Limited Expense Health Care Flexible Spending Account (LEX HCFSA).

Your United Concordia participating provider claims will automatically be sent to FSAFEDS Health Care Flexible Spending Account (HCFSA).

Section 3 How You Obtain Care

Identification Cards/ Enrollment Confirmation

You receive an identification card (two cards if you enroll under the Self Plus One or Self and Family options), which will serve as confirmation of your enrollment. The ID card is neither a guarantee of benefits nor does your provider need it to render dental services. Your dentist may call 1-877-394-8224 to confirm your enrollment in the plan and the benefits available to you. You may print an ID card at www.uccifedvip.com.

It is important to bring your FEDVIP and FEHB identification cards to every dental appointment because most FEHB plans offer some level of dental benefits separate from your FEDVIP coverage. Presenting both identification cards can ensure that you receive the maximum allowable benefit under each Program.

Where You Get Covered Care

You can receive care from any licensed dentist in the United States. However, when you use a participating provider, your out-of-pocket costs may be lower.

Plan Providers

We list plan providers in the provider directory, which we update weekly. The list is available on our website at: www.uccifedvip.com or by calling FEDVIP customer service at 1-877-FYI-UCCI (1-877-394-8224).

In-Network

In-network care is provided by a participating dentist in United Concordia's Federal Dental Program Network. You can locate a participating provider by visiting our website at www.uccifedvip.com, or by calling FEDVIP customer service at 1-877-FYI-UCCI (1-877-394-8224).

Out-of-Network

The plan allows for Out-of-Network benefits. The allowable charge will be based on United Concordia's Maximum Allowable Charge. A member will pay the coinsurance plus the difference between the allowed amount and the out-of-network provider's charge.

Emergency Services

All expenses for emergency services are payable as any other expense. If you receive services from an out-of-network dentist, benefits will be paid under the out-of-network plan provisions. You are responsible for the difference between the allowed amount and the providers charge.

Pre-Determination

Pre-determination is not necessary under this Plan. However, we do recommend that you request a pre-determination of benefits for more extensive treatments. This will assure both you and your dentist that the service is covered and indicate how much you can expect to pay out-of-pocket.

FEHB First Payor

When you visit a provider who participates with both, your FEHB plan and your FEDVIP plan, **the FEHB plan will pay benefits first**. The FEDVIP plan allowance will be the prevailing charge in these cases. You are responsible for the difference between the FEHB and FEDVIP benefit payments and the FEDVIP plan allowance. United Concordia Dental is responsible for facilitating the process with the FEHB first payor. United Concordia will coordinate benefits not to exceed members responsibility and not pay more than the member is responsible for.

Please ask your dentist to submit the charges to your FEHB plan. Please note that it is not your responsibility to submit any claim information or an explanation of benefits (EOB) to United Concordia Dental.

United Concordia Dental may send you a letter asking for other insurance carrier information if we have an indication of other insurance (but not the carrier details) in order to determine the first payor. Any claims received during the questionnaire process are pended for return of the letter providing other insurance information.

It is important to bring your FEDVIP and FEHB identification cards to every dental appointment because most FEHB plans offer some level of dental benefits separate from your FEDVIP coverage. Presenting both identification cards can ensure that you receive the maximum allowable benefit under each Program.

First Payor Example:

When the covered individual has FEHB coverage that offers dental benefits, United Concordia is always secondary to the FEHB carrier

Services were performed by an In-Network provider

Dentist submitted charge for a one surface amalgam filling: \$105.00
In-Network allowance of the Primary Plan: \$65.00
FEHB paid as primary carrier (\$24.00 applied to coinsurance): \$41.00 (\$65.00 - \$24.00)
United Concordia Allowance: \$60.00
United Concordia benefits payable in the absence of other insurance (United Concordia as primary): \$48.00 (\$60.00 at 80%)
Payment by United Concordia: \$19.00 (\$60.00 - \$41.00)
Patient's responsibility to the dentist: \$0.00 (\$60.00 - \$41.00 - \$19.00)

Coordination of Benefits

United Concordia Dental coordinates benefit payments with non-FEHB carriers. If you are the policy holder for both FEDVIP and a commercial carrier, the plan that has been in effect the longest is primary. We also coordinate benefit payments with any other group health benefits coverage you may have and the payment of dental costs under no-fault insurance that pays benefits without regard to fault.

United Concordia Dental is the primary payor if we do not have an indication of other insurance on our enrollment files and there is no indication of other insurance on the claim form.

COB In-Network Examples:

When United Concordia is secondary to a Non-FEHB dental carrier

Services were performed by an In-Network provider

Provider submitted charge for a two surface amalgam filling: \$131.00
In Network allowance of the Primary Plan: \$70.00
Payable by Primary Carrier (\$5.00 applied to coinsurance): \$65.00 (\$70.00 - \$5.00)
United Concordia Allowance: \$60.00
United Concordia benefit in absence of other insurance (United Concordia as primary): \$48.00 (\$60.00 at 80%)
Payable by United Concordia (The total payment by the primary and secondary plan cannot exceed the provider charge): \$5.00 (\$70.00 - \$65.00)
Patient responsibility: \$0.00 (\$70.00 - \$65.00 - \$5.00)

COB Out-of-Network Examples:

When the covered individual has FEHB coverage that offers dental benefits, United Concordia is always secondary to the FEHB carrier

Services were performed by an Out-of-Network Provider.

Provider submitted charge for a one surface amalgam filling: \$105.00
In Network allowance of the Primary Plan: N/A
FEHB paid as primary carrier (\$24.00 applied to coinsurance): \$41.00
United Concordia's Maximum Allowable Charge: \$80.00
United Concordia benefits payable in the absence of other insurance (United Concordia as primary): \$48.00 (\$80.00 at 60%)
Payment by United Concordia: \$48.00
Patient's responsibility to the provider: \$16.00 (\$105.00 - \$41.00 - \$48.00). Since the provider does not participate in either network, he is allowed to balance bill the member.

When United Concordia is secondary to a Non-FEHB dental carrier

Services were performed by an Out-of-Network provider

Provider submitted charge for a two surface amalgam filling: \$131.00

In Network allowance of the Primary Plan: N/A

Payable by Primary Carrier (\$5.00 applied to coinsurance): \$65.00

United Concordia's Maximum Allowable Charge: \$80.00

United Concordia benefit in absence of other insurance (United Concordia as primary): \$48.00 (\$80.00 at 60%)

Payable by United Concordia (The total payment by the primary and secondary plan cannot exceed the provider charge): \$48.00

Patient responsibility: \$18.00 (\$131.00 - \$65.00 - \$48.00). Since the provider does not participate in either network, he is allowed to balance bill the member.

Rating Areas

Your rates are determined based on where you live. This is called a rating area. If you move, you must update your address through BENEFEDS. Your rates may change because of the move.

Limited Access Area

If you live in a limited access area and you receive covered services from an out-of-network provider, we could pay 100% of our plan allowance. This is dependent on the applicable co-insurance, plan maximums and other benefit features that apply. You are responsible for any difference between the amount billed and our payment. To find out if you are in a limited access area, please call United Concordia's customer service representatives at 1-877-FYI-UCCI (1-877-394-8224) Monday - Friday, 8 a.m. to 8 p.m., ET.

Alternate Benefit

The alternate benefit provision determines how payment is made when there are two or more clinically acceptable covered dental services available to satisfactorily correct the same dental condition. This provision states that United Concordia provides the allowance for the less expensive service available, while still ensuring that you receive the quality care you need. Should the member and the dentist choose the more expensive treatment, the member is responsible for the additional charges beyond the allowance for the alternate service, even if an in-network provider.

Situations where this provision may apply include; an amalgam or composite filling may be the alternate benefit of a crown or onlay.

Dental Review

United Concordia Dental reviews claims that report single crowns, onlays, fixed bridgework, impacted third molars, operative periodontics, scaling and root planing or services that are of a complex or questionable nature. Your dentist must submit supporting documentation such as x-rays or charting that are required for certain services.

All claims submitted for periodontal soft tissue grafts will require submission of diagnostic materials and Advisor review. The following diagnostic materials must be submitted for review:

1. Periodontal charting completed within the past 12 months of the areas(s) being treated, which must include:

a. Pocket depths; b. Amount of recession measured from the CEJ to the gingival margin; c. An indication of the amount of keratinized gingiva remaining.

2. A narrative (statement) explaining the reason why the graft(s) is needed.

Section 4 Your Cost For Covered Services

This is what you will pay out-of-pocket for covered care:

Annual Benefit Maximum

For the High Option our Plan includes an Unlimited annual benefit maximum per covered person for combined Class A, B and C covered services, excluding implant related services. Implant related Services have a \$2500 annual maximum per covered person.

For the Standard Option our Plan includes a \$1,500 annual benefit maximum per covered person for combined Class A, B and C covered services.

Lifetime Benefit Maximum

For the High Option our Plan includes a lifetime benefit maximum of \$3,000 per covered person for Class D orthodontic services and a lifetime benefit maximum of \$2,000 per covered person for dental accident services. Once you reach this amount, you are responsible for all charges for these services.

For the Standard Option our Plan includes a lifetime benefit maximum of \$2,000 per covered person for Class D orthodontic services and a lifetime benefit maximum of \$2,000 per covered person for dental accident services. Once you reach this amount, you are responsible for all charges for these services.

In-Network Services	In-network services are services performed by a dentist who is part of United Concordia's Federal Dental Program Network. Using a participating dentist may result in lower out-of-pocket-costs. You can locate a participating dentist by visiting our website at www.uccifedvip.com or by calling 1-877-FYI-UCCI (1-877-394-8224).
Out-of-Network Services	<p>You may use any licensed dentist; however benefits received out-of-network could result in higher out-of-pocket costs. A member will pay the coinsurance plus the difference between the allowance amount and the out of network providers charge.</p> <p>If you live in a limited access area, your benefits will be paid at the in-network benefit level for covered services. You can determine if you live in an underserved area by visiting our website at www.uccifedvip.com or by calling 1-877-FYI-UCCI (1-877-394-8224).</p>
Emergency Services	All expenses for emergency services are payable as all other expenses. If you receive services from an out-of-network provider, you will be responsible for the difference between the allowed amount and the provider's charge.
Dental Accident	<p>A dental accident is an injury to sound natural teeth and supporting structures caused by a violent external force such as a fall or blow to the mouth.</p> <p>United Concordia pays 100% of the program allowance for covered services specifically related to accidental dental injuries up to a lifetime maximum of \$2,000. This benefit is separate from the services through the High Option unlimited annual maximum and the Standard Option \$1,500 annual maximum. Further, benefits paid for covered services related to the accident(s) in excess of \$2,000 accrue to the annual benefit maximum.</p> <p>For a complete list of services covered as dental accident services, call 1-877-FYI-UCCI (1-877-394-8224).</p>
Plan Allowance	The amount we use to determine our payment for covered services. We determine our Plan allowance as follows: for care rendered to members who reside in limited access areas, the 75 th percentile of Ingenix data for the provider's location; for care provided to members who live outside of the 50 states, the District of Columbia or Puerto Rico, the 90 th percentile of Ingenix data for the District of Columbia.
In-Progress Treatment	<p>In-progress treatment for dependents of retiring active duty service members who were enrolled in the TRICARE Dental Program (TDP) will be covered for the 2022 plan year; regardless of any current plan exclusion for care initiated prior to the enrollee's effective date.</p> <p>This requirement includes assumption of payments for covered orthodontia services up to the FEDVIP policy limits, and full payment where applicable up to the terms of FEDVIP policy for covered services completed (but not initiated) in the 2022 plan year such as crowns and implants.</p> <p>This is not a requirement for carriers to provide in-progress coverage for orthodontia in a plan where an enrollee must meet a waiting period.</p> <p>FEDVIP carriers will not cover in-progress treatment if you enroll in a FEDVIP plan that has a waiting period, or does not cover the service. Several FEDVIP dental plans have options that offer orthodontia coverage without a 12-month waiting period, and without age limits.</p>

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Dental and Vision Insurance Program premium.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your Plan identification (ID) number over the telephone or to people you do not know, except to your providers, Plan, BENEFEDS, or OPM.
- Let only the appropriate providers review your clinical record or recommend services.
- Avoid using providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review your explanation of benefits (EOBs) statements.
- Do not ask your provider to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at 1-877-968-7455 and explain the situation.
- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
 - Your child over age 22 (unless he/she is disabled and incapable of self- support).

If you have any questions about the eligibility of a dependent, please contact BENEFEDS.

Be sure to review Section 1, Eligibility, of this brochure, prior to submitting your enrollment or obtaining benefits.

Fraud or intentional misrepresentation of material fact is prohibited under the Plan. You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEDVIP benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the plan, or enroll in the Plan when you are no longer eligible.
